

WHAT'S YOUR PLAN?

**Buy that car, get married, have a baby,
buy a home with a patio for BBQs,
move out to live in the shed.**

Whatever you want to do, your health will be important, just like earning money.
But ill health can happen to anyone, and one setback could jeopardise those plans.
Income protection could provide you with an income if you're too ill to work.

Hope for the best and plan for the worst.
